OUR BUSINESS DIVISIONS

OUR CSR PLATFORM

OUR CORE STRENGTHS

01

CLASSIFIED:

A Class A certified contracting company with over 18 years of proven excellence in Saudi Arabia, strengthened by extensive international project exposure.

02

CAPABLE & FINANCIALLY STRONG:

RVCC is established as a trusted partner through a robust financial foundation audited by KPMG. Our multi-disciplinary capabilities, combined with engineering precision and financial operational resilience, guarantee the success and long-term viability of every project we undertake.

03

QUALITY DRIVEN:

A steadfast commitment to quality and HSE excellence in alignment with ISO standards and international best practices, ensuring consistent delivery at the highest level.

WELL-RESOURCED:

A dedicated project management office supported by experienced project managers, skilled technical teams, and specialized engineers capable of delivering complex and large-scale developments with precision.

04

TRUSTED:

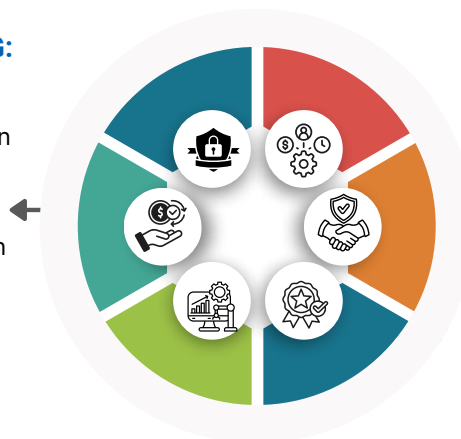

A distinguished record of executing fast-track and high-value projects for leading government and private sector clients, both locally and internationally—reinforcing our reputation for reliability, precision, and excellence.

05

RECOGNIZED:

Pre-qualified with major national entities including ARAMCO, RCRC, SEC, PIF subsidiaries, and top-tier real estate developers, reflecting our proven capability and industry leadership.

06

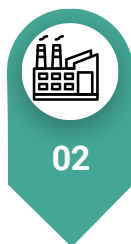

RVCC stands as a trusted partner in shaping the Kingdom's

01

INDUSTRIAL ADVANCEMENT

Promoting local manufacturing through state of the art steel and metal fabrication

02

URBAN EXCELLENCE

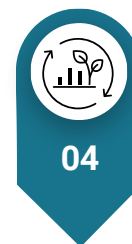

Enhancing the public realm with distinguished civil, MEP, landscaping, and water feature works aligned with Green Riyadh initiatives

03

NATIONAL DEVELOPMENT

Supporting iconic national programs including Red Sea, and major Riyadh infrastructure developments

04

SUSTAINABLE PROGRESS

Embedding energy-efficient, environmentally responsible construction practices across all operations.

OUR BUSINESS LINE

At RVCC, we transform ideas into enduring structures that stand the test of time. From concept to completion, our expertise ensures quality, safety and innovation, shaping every project into a distinctive architectural landmark.

OUR VISION

At RVCC, we are committed to partnership, transparency, and reliability. Leveraging our proven expertise and specialized services across the construction industry, we build lasting client trust and support sustainable growth. Health, quality, safety, and environmental responsibility remain our top priorities, guided by strict standards and a culture of continuous improvement. Our past achievements have established our strong presence today and continue to shape a confident, promising future.

OUR MISSION

At RVCC, we maximize client value by delivering high-quality, timely, and cost-effective solutions. Backed by modern technology and years of industry expertise, we excel in both new developments and renovation projects. Our commitment to reliability, flexibility, and results-driven delivery forms the foundation of long-term client partnerships.

INTERIOR & FIT-OUT DIVISION

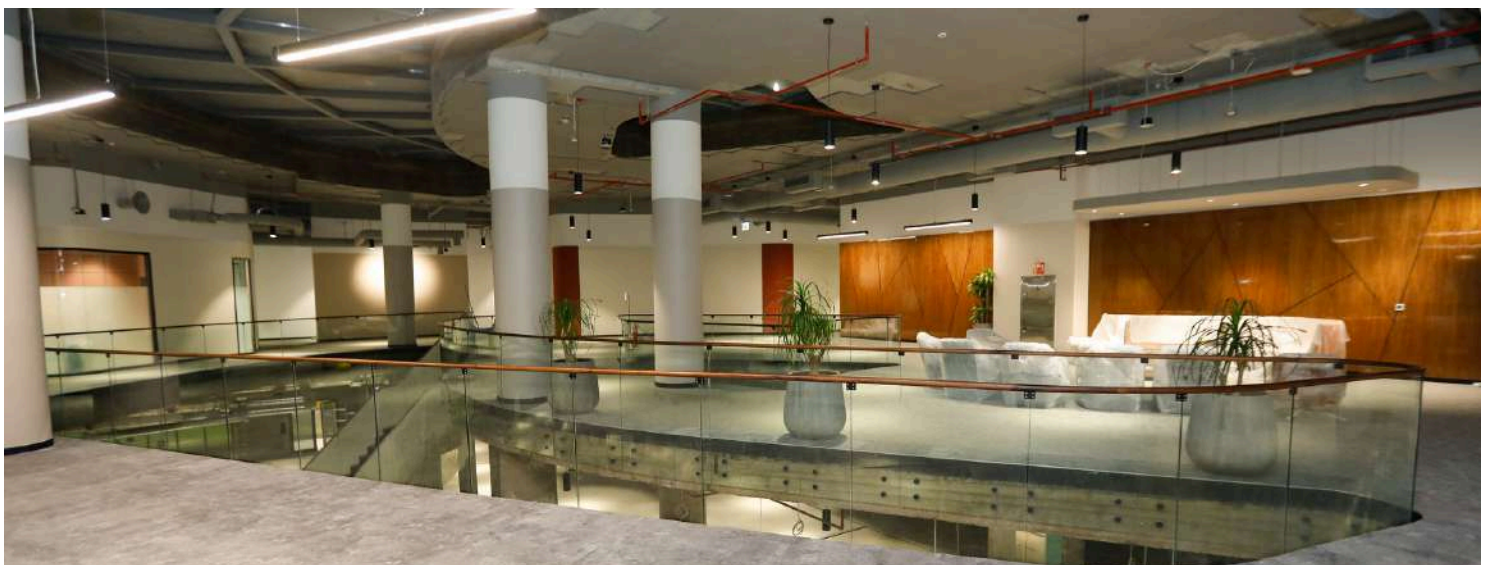

MBC STUDIO OFFICE & WORKSHOP BUILDING

SCOPE OF WORK

- Expert Fit-Out:
- Integrated Systems
- Space Optimization
- Turnkey Solutions

Project Highlights

- Media-Ready Infrastructure
- Modern Aesthetics
- Smart Efficiency

CIVIL CONTRACTING

EASTERN VILLETTE

- Scope of Work
- Villa-to-Apartment Conversion
- Luxury Landscaping
- Space Optimization
- Exterior Enhancements

Key Highlights

- Value Addition
- Modern Living
- Smart Ambiance

CIVIL CONTRACTING

CIVIL BUILDING, EXTERNAL & MEP CONSTRUCTION

Scope of Work

- High-end Architectural Execution
- GRP Cladding
- Bespoke Interior Fit-out
- Acoustic & Lighting Design
- External Works

Key Highlights

- Material Excellence
- Sophisticated Atmosphere
- Acoustic Comfort

CIVIL CONTRACTING

ORIENT COMPOUND

Scope of Work

- Building Renovation
- Landscaping
- Infrastructure
- Refurbishment

CIVIL CONTRACTING

LULU HYPERMARKET - DIPLOMATIC QUARTERS

Scope of Work

- Civil & Structural: 20,000 m² facility with GRP cladding.
- Integrated MEP
- Premium Finishing
- External Works

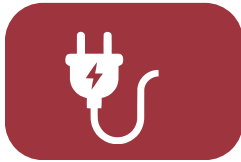

Key Highlights

- Durable Design: High-quality materials and GRP cladding for longevity.
- Modern Aesthetics: Ambient lighting designed to enhance customer experience.

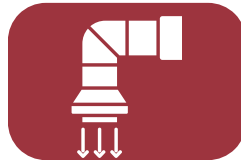

MEP CONTRACTING

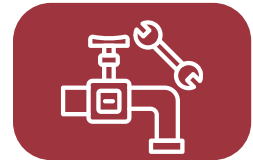

ELECTRIC

Comprehensive electrical installations and power systems.

HVAC

Heating, Ventilation, and Air Conditioning solutions for climate control.

PLUMBING

Advanced water supply and drainage system management.

FIRE PROTECTION

Safety-first fire detection and suppression systems.

LOW CURRENT

Specialized systems including CCTV, networking, and security.

BMS & AUTOMATION

Intelligent Building Management Systems for automated control.

STEEL AND METAL DIVISION

DESIGN AND ENGINEERING

Expert technical planning and structural calculations for complex projects.

PRE- ENGINEERED BUILDING (PEB)

Efficient, versatile, and quick-to-assemble structural building systems.

SHADES & CANOPIES

Design and installation of protective outdoor covers and architectural roofing.

STEEL STRUCTURE & CUSTOMIZED METAL PRODUCTS

Fabrication of heavy-duty steel frames and bespoke metal components.

ARCHITECTURAL METAL WORK

Decorative and functional metal elements designed to enhance building aesthetics.

STEEL BRIDGES

Engineering and construction of durable steel bridge infrastructures.

STEEL AND METAL DIVISION

MBC STUDIO OFFICE & WORKSHOP BUILDING

SCOPE OF WORK

- Structural Steelwork
- Metal Cladding & Facades
- Custom Metal Fabrication
- Precision Engineering

PROJECT HIGHLIGHTS

- Architectural Shading
- Durable Finishes
- Industrial Strength
- jects

STEEL AND METAL DIVISION

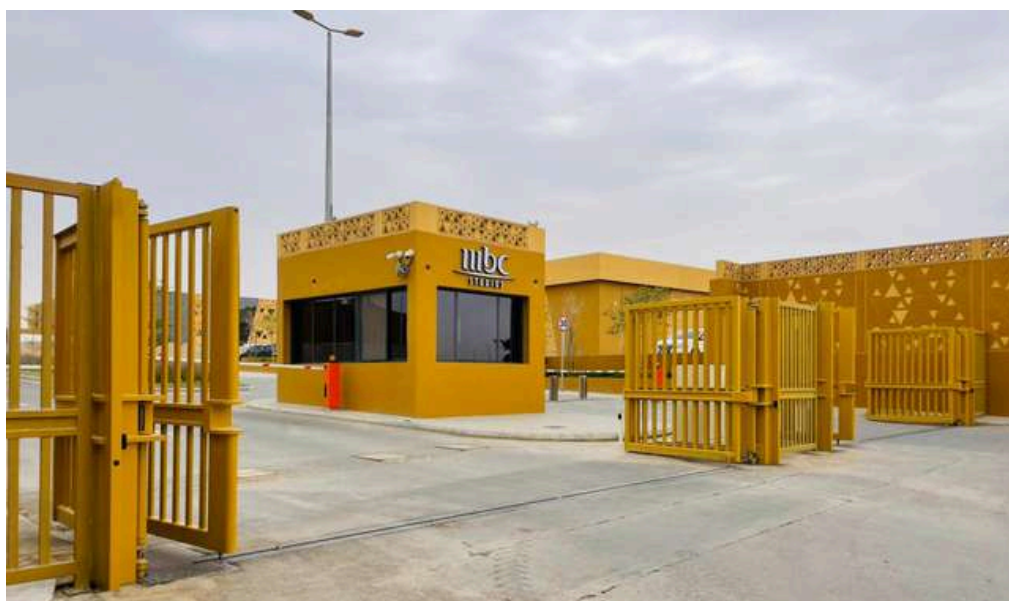

MBC STUDIO OFFICE & WORKSHOP BUILDING

SCOPE OF WORK

- Structural Steelwork
- Metal Cladding & Facades
- Custom Metal Fabrication
- Precision Engineering

PROJECT HIGHLIGHTS

- Architectural Shading
- Durable Finishes
- Industrial Strength
- Precision Engineering

STEEL AND METAL DIVISION

Construction of a massive 21-meter high vertical steel structure.

WATER CHIMES

Scope of Work

- **Iconic Metal Fabrication**
- **Specialized Structural Engineering**
- **Aquatic System Integration**
- **Artistic Installation**

Key Highlights

Urban Landmark: A landmark infrastructure project delivered for the Royal Commission for Riyadh City (RCRC).

Structural Strength: A perfect blend of heavy-duty steel engineering and aesthetic water elements.

STEEL AND METAL DIVISION

AL-HAIR LAKES PARK ENTRANCE GATE

Scope of Work

- Tower Construction
- Architectural Integration
- Specialized Lighting
- Stone & Cladding

**Engineering and construction of 22
distinctive, 20-meter high towers.**

STEEL AND METAL DIVISION

AL-HAIR LAKES PARK ENTRANCE GATE

Core Expertise

- Dynamic Architectural Illumination
- Programmable RGB Systems
- Energy-Efficient Solutions
- Smart Control Integration
- Atmospheric Lighting
- Color Transitions
- High-Visibility Signage

STEEL AND METAL DIVISION

DECORATIVE STEEL ARCH BOWS

Scope of Work

- Design & Fabrication
- Precision Steel Manufacturing
- Specialized Coating
- Site Execution

Key Highlights

Vision 2030 Alignment: Supporting the modernization of Riyadh's urban infrastructure.

Technical Excellence: Combining complex structural engineering with artistic urban design.

Signature Project: A high-profile landmark showcasing expertise in ornamental metal works.

STEEL AND METAL DIVISION

DEVELOPMENT OF WESTERN KING ABDULLAH ROAD - ARCHITECTURAL "C" FLAGS

Scope of Work

- Corridor Modernization
- Iconic Landmarks
- Urban Space Development
- High-Traffic Management

Key Highlights

- Strategic Connectivity
- Elite Quality Standards
- Vision 2030 Alignment

STEEL AND METAL DIVISION

OUR SISTER CONCERN
COMPANIES
IN INDIA

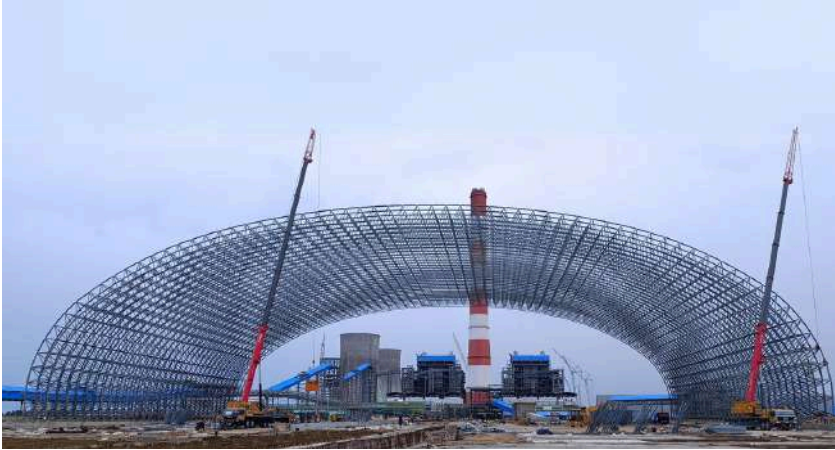

COAL HANDLING UNIT (INDIA)

Scope of Work

- Massive Scale Construction
- End-to-End Delivery
- Complex Structural Work
- Specialized Heavy Lifting

Fabrication and erection of a structural shell measuring 270m x 135m x 38m.

Key Highlights

International Footprint: Demonstrating the capability to handle mega-scale industrial projects in the Indian market.

Strategic Partnership: Collaborating with BHEL, India's premier government-owned engineering firm.

Technical Excellence: Proving the capacity to deliver highly complex, large-span structures for the energy sector.

STEEL STRUCTURE WORKS (INDIA)

Scope of Work

- Industrial Fabrication
- Structural Erection
- Precision Engineering
- Specialized Finishing

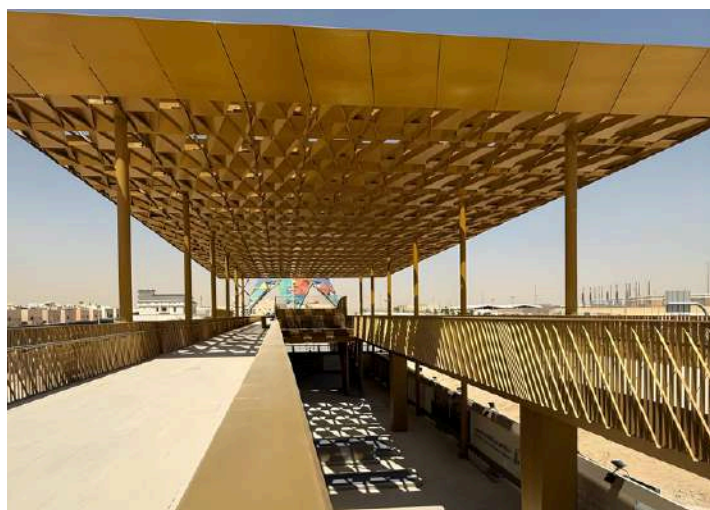

STEEL AND METAL DIVISION

TOWER CANOPY STRUCTURES

Scope of Work

- Iconic Development
- Canopy Fabrication
- On-Site Installation
- Urban Shading Solutions

Key Highlights

- Flagship Initiative: Part of a major urban transformation project in Saudi Arabia's capital.
- Aesthetic Durability: Structures that combine long-lasting materials with modern architectural beauty.
- Strategic Government Partnership: Delivering high-profile works under the supervision and standards of RCRC.

STEEL AND METAL DIVISION

STEEL FENCE & BOUNDARY WORKS

Scope of Work

- Security Infrastructure
- Boundary Solutions
- Weather-Resistant Engineering
- Integrated Protection

Key Highlights

High Durability: Built to withstand extreme environmental conditions without corrosion.

Security Focus: Uncompromising quality for sensitive and high-profile sites.

Technical Precision: Fast and accurate installation by a specialized technical team.

STEEL AND METAL DIVISION

ABU BAKR SIDDIQ FLYOVER TUBE CLADDING

Scope of Work

- Architectural Steel Fabrication
- Complex Tube Cladding
- Specialized On-Site Assembly
- Visual Enhancement

- Key Highlights
- Iconic Urban Design: Transformed a standard flyover into a visually stunning city landmark.
- Night-time Aesthetics: Integrated design that allows for dramatic lighting effects at night.
- Engineering Excellence: Precise execution of complex curved steel structures on a massive scale.

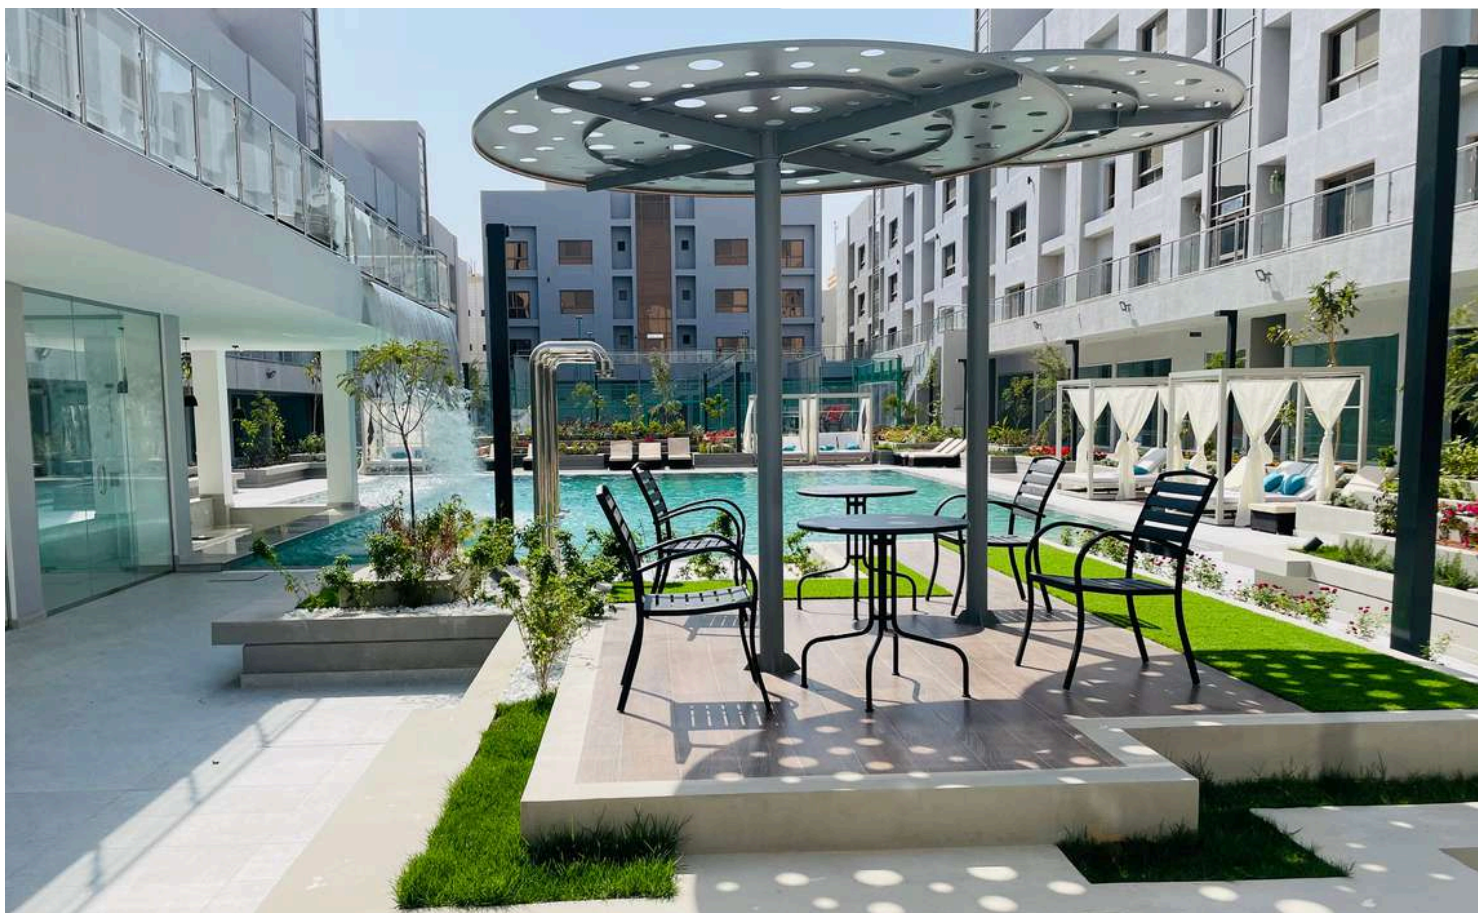

STEEL AND METAL DIVISION

ORIENT COMPOUND

Scope of Work

- Industrial Fabrication
- Structural Erection
- Precision Engineering
- Specialized Finishing

STEEL AND METAL DIVISION

LULU HYPERMARKET - DIPLOMATIC QUARTERS - ENTRANCE TOWER

Scope of Work

- Iconic Entrance Tower
- Steel Handrail Installation
- Architectural Steelwork
- Integrated Infrastructure

Key Highlights

Prominent Location: Strategically located in the prestigious Diplomatic Quarters, Riyadh.

Modern Branding: High-visibility design that integrates retail branding with modern architecture.

Multi-Project Expertise: Proven track record in executing steel handrail and structural works across various malls and bridges.

STEEL AND METAL DIVISION

AL-ARABIYA SOUTH BUILDING (D Q)

Scope of Work

- Facade Modernization
- Tensile Shade Structures
- Civil & Infrastructure Works
- Structural Enhancements

THE LANDSCAPING & PUBLIC REALM DIVISION IS A SPECIALIZED ARM OF RVCC DEDICATED TO:

LANDSCAPING AND HARDSCAPING

Bespoke soft and
hardscape designs.

GREEN ROOFS

Eco-friendly and
sustainable roofing.

IRRIGATION

Smart, water-efficient
watering systems.

WATERPROOFING

Advanced structural
moisture protection.

ASPHALT WORK

Durable paving
and road solutions.

PUBLIC REALM

Vibrant community
and park spaces.

WATER FEATURE

Custom fountains
and aquatic designs.

EXTERNAL WORKS & UTILITIES

Site utilities and
civil infrastructure.

EARTH AND ENABLING WORKS

Precision grading
and site preparation.

LANDSCAPING & PUBLIC REALM DIVISION

CLOVER LEAF PROJECT

**153,289 m² NOMINATED FOR

A Legacy of 33+ Years
in Project Management

The journey of Riyadh Villas Contracting Co. (RVCC) is one of steady growth, trust, and commitment. Since our founding in 2006 with a small but dedicated team, we have grown into a Category 1 Classified Contractor, delivering projects that reflect quality, integrity, and innovation.

Our success is not only defined by the structures we build, but also by the relationships we foster and the communities we serve. Guided by our values—excellence, timely delivery, innovation, and safety—we continue to contribute to the Kingdom’s development and proudly align our efforts with Saudi Vision 2030.

Looking ahead, our mission is clear: to lead with distinction, empower our people, and build a lasting legacy of trust across Saudi Arabia and beyond. I extend my heartfelt appreciation to the Government of Saudi Arabia, our valued clients, trusted partners, and our dedicated team, whose commitment and hard work remain the cornerstone of RVCC’s achievements.

Dr. Sooraj N. K

Founder & CEO

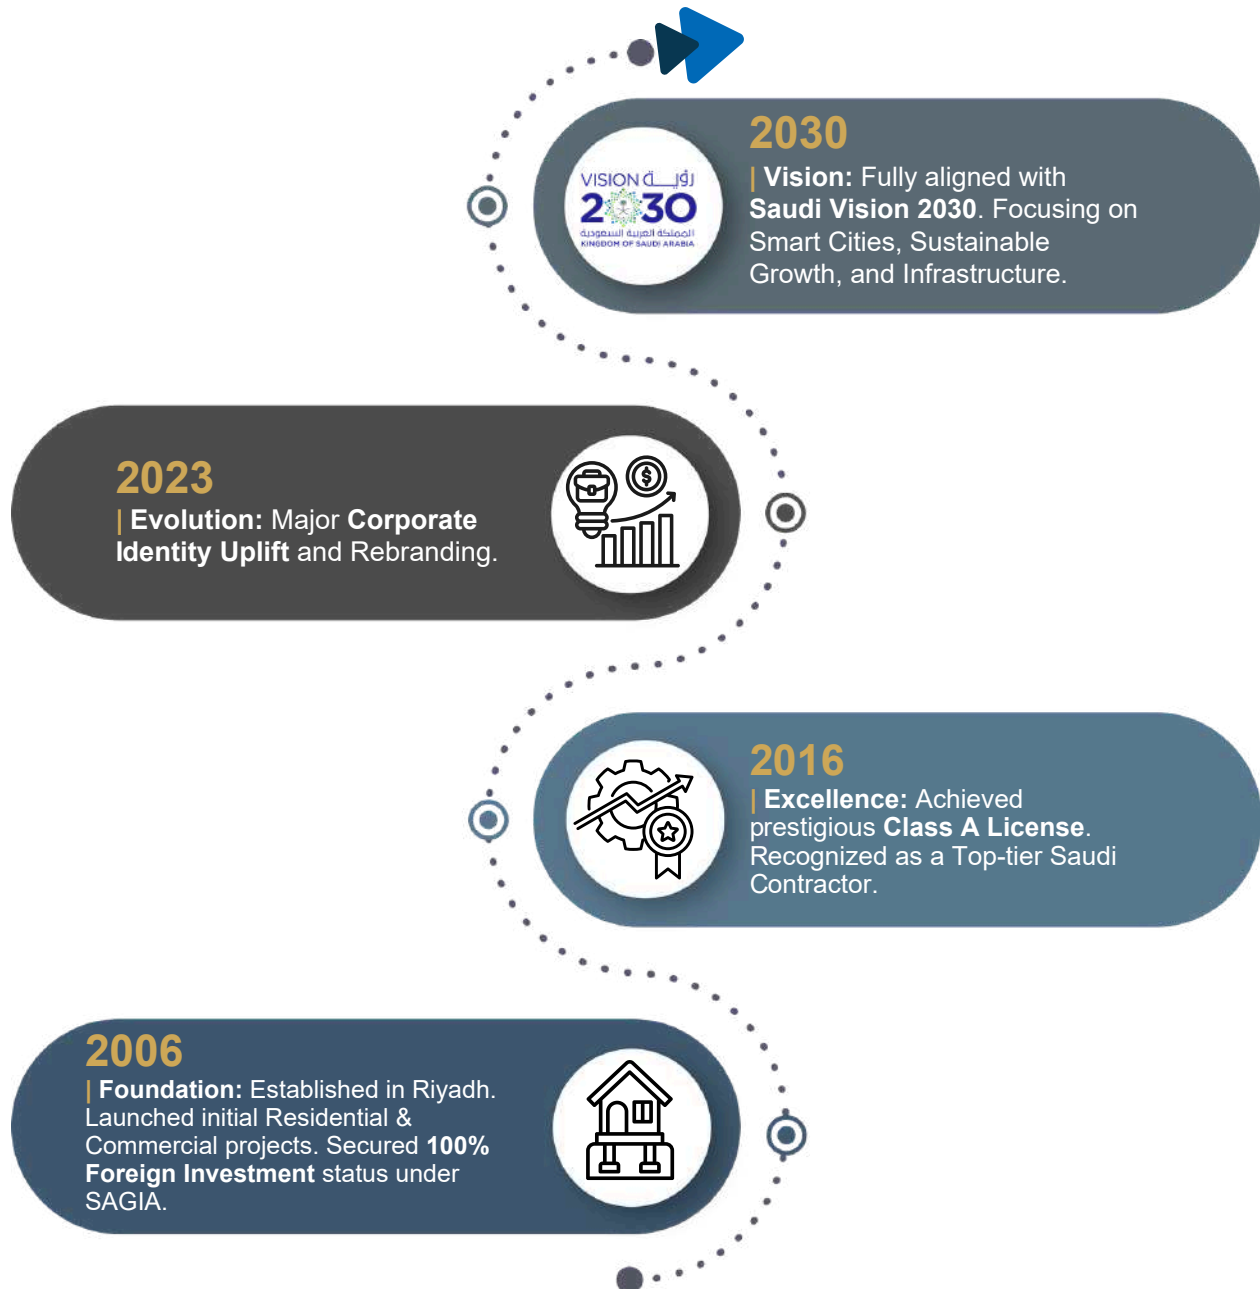

We express our deepest gratitude to the Government of Saudi Arabia, whose support has been instrumental in enabling our journey in the Kingdom. We also extend sincere appreciation to our esteemed partners clients, vendors, and subcontractors whose trust and collaboration have been fundamental to RVCC’s growth and success

Ragesh N. K

Director

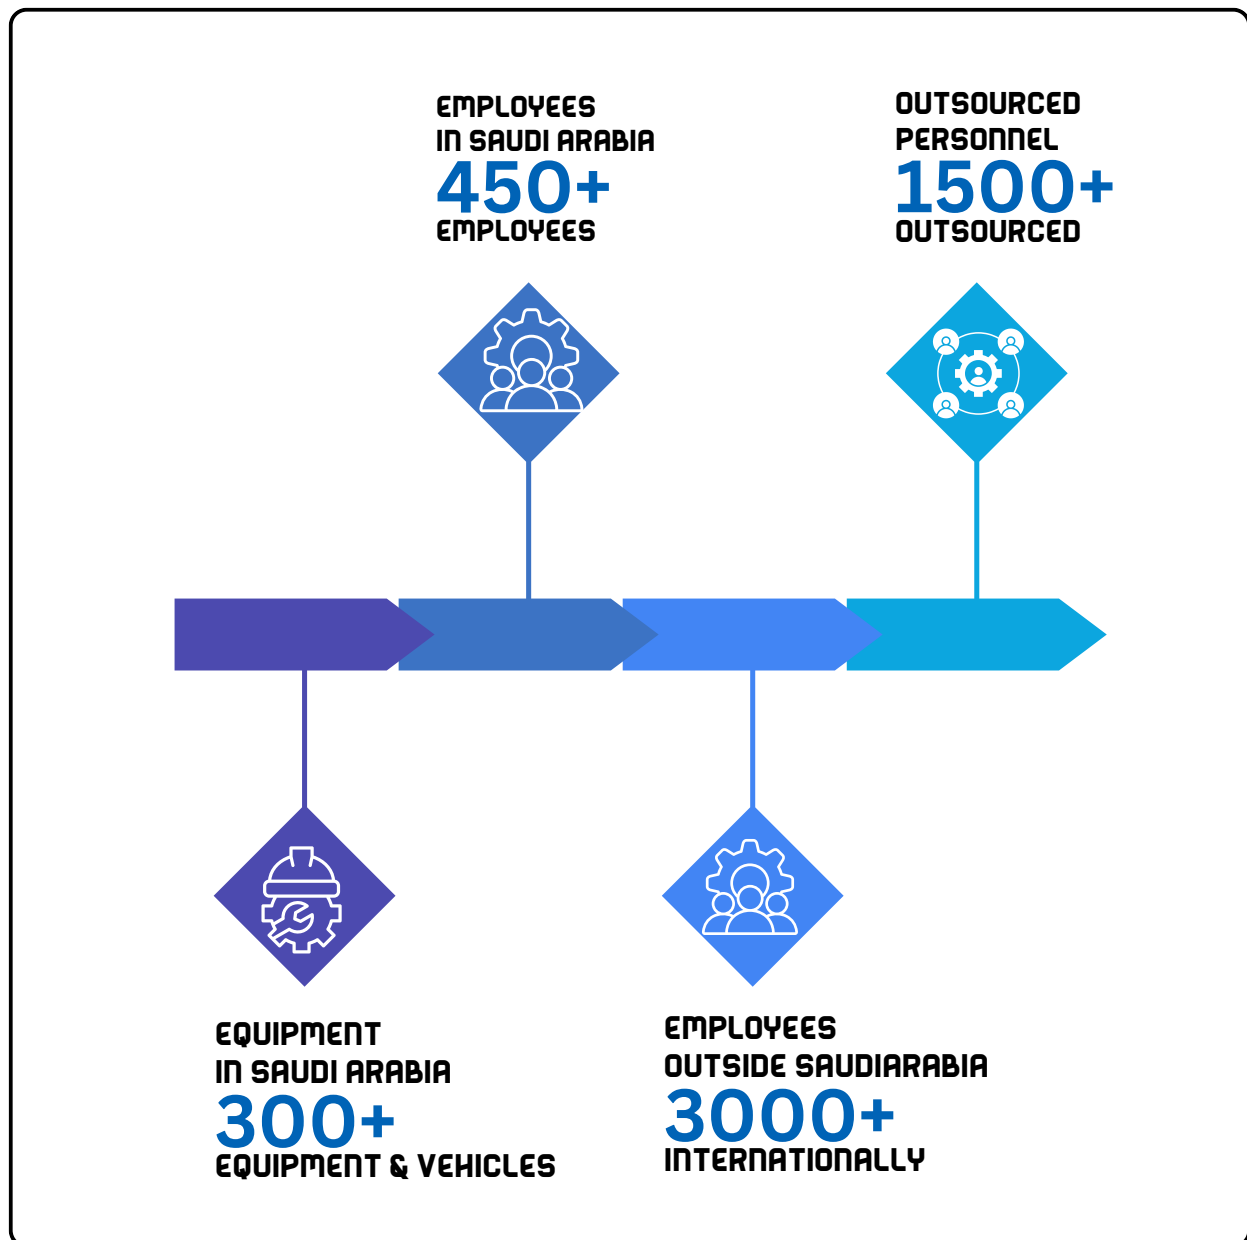

OUR JOURNEY: COMPANY TRANSFORMATION

ISO 9001:2018 Certified Excellence.
ISO 14001:2015 Environmental Standards.
Strong & Trusted Client Partnerships.

- SAGIA (Ministry of Investment)

- UAF / IAF Accreditation Seals

PEOPLE POWERING SUCCESS

Our Global Workforce: United by Core Values

Our strength lies in the rich diversity of our highly motivated professionals spanning multiple countries. This expansive team is our greatest asset, united by a shared commitment to the company's core values: Integrity, Innovation, and Respect. We foster a collaborative, learning-focused environment where every individual, from the field staff to the executive leadership, is empowered to contribute to global success. This collective expertise allows us to seamlessly manage complex, multi-national projects and deliver solutions tailored to any local context.

INVESTMENT

Over 100 Million SAR invested in modern fleet and equipment.

VEHICLE COUNT

Over 200 vehicles and machines, including cranes, excavators, Bulldozer, Super Sucker Vacuum Trucks, etc.

MEGA-EARTH HANDLING

Fully equipped to handle mega-earth projects simultaneously.

GPS TRACKING

GPS-tracked vehicles for real-time monitoring and management.

Our Commitment to Excellence & Safety

Our advanced fleet is powered by a team of highly skilled engineers and certified operators who adhere strictly to international safety and quality standards. We believe that state-of-the-art equipment must be matched with uncompromising operational excellence and a zero-tolerance policy for safety violations. This holistic approach ensures every project is delivered not just on time and within budget, but with the highest degree of reliability and precision.

OUR EQUIPMENTS

MACHINERY & LOGISTICS CAPABILITIES

Modern Fleet Support: Supported by a comprehensive fleet of modern vehicles and heavy machinery for efficient operations.

Operational Efficiency: Reliable equipment ensuring productivity in logistics, material transport, and large-scale construction.

Diverse Heavy Equipment: Own and operate bulldozers, excavators, wheel loaders, graders, and compactors.

Performance & Safety: All machinery is maintained by skilled professionals to ensure optimal performance and strict safety compliance.

Infrastructure Excellence: High-performance equipment capable of executing complex civil and infrastructure works at every stage.
