

# RVCC Enterprise Platform — Complete API Reference & Specification

Full Architecture Spec · v2026

Exhaustive Directory of All Implemented Endpoints & Feature Development Roadmap

## Architecture

Hono REST API + Next.js BFFs

## Deployment

Cloudflare Workers + Node.js

## Database & Cache

PostgreSQL (Prisma) + Upstash Redis

## Storage & CDN

Cloudflare R2 Object Storage

# 1 Authentication, Staff Management & Role-Based Access Control (RBAC)

12 Active Endpoints

| METHOD | ENDPOINT PATH                           | DESCRIPTION & PURPOSE                                          | REQUEST BODY / PARAMS            | RESPONSE PAYLOAD     | AUTH & LIMIT          |
|--------|-----------------------------------------|----------------------------------------------------------------|----------------------------------|----------------------|-----------------------|
| POST   | /admin/auth/login                       | Staff / Admin credentials authentication                       | { email, password }              | { ok, token, admin } | Public<br>6 req / 60s |
| POST   | /admin/auth/logout                      | Invalidates current staff session token                        | None                             | { ok: true }         | X-Admin-Session       |
| GET    | /admin/auth/me                          | Fetches user profile, role & permissions                       | None                             | { ok, user }         | X-Admin-Session       |
| POST   | /admin/auth/change-password/reset       | Changes password using existing credentials                    | { currentPassword, newPassword } | { ok: true }         | Staff<br>5 / min      |
| POST   | /admin/auth/change-password/request-otp | Issues 6-digit email OTP for password reset                    | { email }                        | { ok, sent: true }   | Staff<br>4 / 5min     |
| POST   | /admin/auth/change-password/verify      | Validates OTP and sets new password                            | { email, otp, newPassword }      | { ok: true }         | Staff<br>5 / min      |
